INSTRUCTIONS

Section 1 – Report all machinery and tools, unlicensed motor vehicles, and delivery equipment used in manufacturing, mining, processing or reprocessing, radio or television broadcasting, dairy, dry cleaning or laundry businesses on this return for local taxation.

All property must be reported at its total capitalized cost, before any allowance for trade-in or depreciation. Total capitalized cost should include the actual purchase price (excluding capitalized interest), installation (labor), wiring, design, special foundations and supports, transportation and freight, and any other normal costs of acquiring machinery and tools. These cost figures must be reported on a calendar year basis. **ALL EXPENSED OR FULLY DEPRECIATED ITEMS ON HAND JANUARY 1, 2001, REGARDLESS OF DATE OF PURCHASE, SHOULD BE INCLUDED AT ORIGINAL COST.**

IF YOU OWN NO MACHINERY AND TOOLS, YOU MUST STILL FILE A RETURN; please enter "NONE" in Section 1 of this form.

Machinery and tools may be reported on the "Idle and Unused" line ONLY if they have been continually idle and unused for a period of at least one year prior to January 1, 2001. Construction-in-progress, occasional, and seasonal use of machinery and tools would not constitute "idle and unused" property.

A detailed list of assets itemizing all property reported by capitalized cost and date of acquisition must be submitted with this return. **Also, an explanation must be provided with this return if there is a difference between the property reported on this return and your 2000 return.** This asset list

should include a separate list of assets that were idle and unused as of January 1, 2001, and that you anticipate to be idle and unused as of January 1, 2002.

Calculate the assessed value of the property reported in Section 1 by multiplying the cost figures by the assessment percentages listed. Total the assessed value, round it to the nearest \$10, and enter the result in the space provided.

Section 2 – Report in this section all tangible personal property that is leased, rented, or borrowed from others as required by §58.1-3518 of the Code of Virginia. Please review the terms of each lease to determine if it is a true lease. A "lease-purchase" ("capital lease"), usually non-cancelable and characterized by a nominal (often \$1.00) buyout provision, is actually a financing arrangement and should be reported in Section 1, not in Section 2. Please call this office if you have any questions.

LATE FILING PENALTY – A late filing penalty of 10% will be imposed if this return is not filed or postmarked by March 1, 2001.

LATE PAYMENT PENALTY – A late payment penalty of 10% will be added by the Treasurer's Office to all bills not paid on or before June 5, 2001. If the return is filed after the filing deadline, or if you have not received a bill by May 15, 2001, you must contact the Commissioner's Office to ascertain your tax liability and to make arrangements for payment before the June 5, 2001, deadline to avoid the late payment penalty. If a return is filed after June 5, 2001, or if any taxable property was not reported by that date, the late filing penalty, late payment penalty, and applicable interest will automatically be imposed.
